Archangel Raphael whose name means “God Heal” or “The Healing of God” is known as the Healing Angel. He is also known as the Patron of travellers. He will assist those who are healers as well as travellers and anyone who call upon him. He is usually depicted with a caduceus staff in one hand and a pot of ointment in his other hand. His sphere of influence is in the Healing Art and Knowledge of Science.

Archangel Raphael invites all who are Healers and individuals who are interested in the science and art of healing to come and expand your knowledge about

- +the causes of imbalances
- +the functions of your organs
- +the physical storehouse of imbalances
- +the purpose of orifices and sweat
- +your guardian angels
- +living in multidimensional space

Wayshower Cynthia has embarked on her primordial role as a Wayshower to bring about the awakening of the human souls on earth. Her intention is always divinely guided and she is a clear channel of the Divine and Angelic Realm. She brings forth the wisdom of the angelic host, ancient masters and crystalline being of light unconditionally. Her other roles in this lifetime are Life Coach, Healer and Angelic Reiki Master Teacher.

You will learn a unique cleansing and healing technique during the discourse.
