

Angelic Reiki

Angelic Reiki is a system of healing and personal empowerment which includes cleansings and attunements received directly from the Angelic Kingdom. The Angelic Reiki Master Teacher facilitates this process.

Reiki symbols of Divine vibration, once lost when man lost his connection to the Source, is now re-established for humanity's access. Suitable for beginners and spiritual adepts, this healing system creates a conscious link with the Angelic dimension. The Angels themselves do all the attunements in this system through the Angelic Kingdom of Light. Angelic beings are empirical in all religions.

While Angelic Reiki is spiritual in nature, it is not a religion. Nevertheless, the use of Angelic Reiki will put you in touch with the Divine Nature and the Universal Life Force.

The primary purpose of Angelic Reiki is to support Light Workers through the present changes. The workshops can simply be taken for one's own use or to pass on to others.

Come and experience the gift and empowerment through working with the Divine.
