Bruno Groening
1906 – 1959

Learn about and experience healing through the Teachings of Bruno Groening.

In the 1950's Bruno Groening attracted worldwide media attention through his extraordinary healings. He was able to absorb and transmit a Divine energy which has the power to help and heal in illness and difficulty. This healing energy is available to everyone and Bruno Groening taught people how to receive it for themselves.

The Bruno Groening Circle of Friends passes on his simple teachings and is now one of the world's largest spiritual healing groups. Through his teachings, many thousands of people have recovered from all kinds of physical and mental illnesses – even those termed “incurable”. Healings are medically documented by an international forum of doctors from over 50 different countries.

You are warmly invited to an information lecture to Bruno Groening's work and teachings. There you will have the opportunity to experience the healing energy for yourself.
