Back in 2003, Kevin Core presented Angelic Reiki for the first time in Singapore and Malaysia. It was a 3-Day Workshop. He continued to receive new information from Archangel Metatron and expanded on the workings of the Angelic Reiki System to what it is today until his demise in June 2008. His legacy is now carried on by his spouse and partner, Christine Core .

If you are among the first participants to receive Angelic Reiki from Kevin Core in 2003, we at Angelic Reiki Community Singapore would like to contact you. Send an email to [cynthia@angelicreiki.com.sg](mailto:cynthia@angelicreiki.com.sg) and mention that you are among the first AR participants at Kevin Core's workshop.
